Description

Reinforcing fabric for patching holes and cracks 1/4 inch wide or more.

Uses

- Cracks, Seams, Flashings, Blisters & Gutters

Surface Preparation

For best results, clean area of loose dirt and debris. If moisture is present allow area to dry.

Application

Apply Cool King White Roof Patch to defective area. Extend the patch 3" beyond the area to be repaired. Spot stick roof repair glass in position over area. Press into place. Coat fabric with roof patch so that fabric is sandwiched between two layers of material.

Coverage (Approximate)

- 4 inches wide X 50 feet long.

Safety And Environmental Precautions

- Refer to Material Safety Data Sheet before using.
- FOR EXTERIOR APPLICATION ONLY.
- Environmental information is on the Material Safety Data Sheet.
- KEEP OUT OF REACH OF CHILDREN.
